Additionally, the County has supported residents with securing **over \$61 million in federal aid** for the communities impacted by the storms.

County's Financial Investment in Impacted Communities

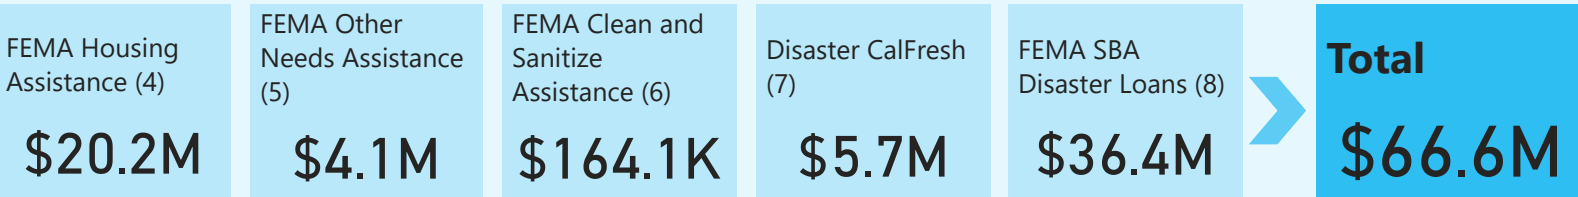

County's Current and Projected Expenditures from Board Allocated \$28.6 Million

The Board of Supervisors voted on April 30, 2024 to extend the Emergency Temporary Lodging Program to June 21, 2024 and allocated an additional \$9 million for hotel, food and related costs, for a total of \$28.6 million. These figures are subject to change.

Federal Financial Investment in Impacted Communities

1. Estimates are a combination of paid invoices and services rendered but not yet invoiced for payment. Projected costs are depicted in the pie chart above.

2. Other costs include County Response and Emergency Operations Center, Emergency Management Consultant (Hagerty Consulting), and Home Repair Fee Waivers.

3. Includes repairs to County infrastructure like buildings and roads, erosion and flood control, and debris removal in the unincorporated areas. Also includes the County's Local Assistance Center.

4. Provides financial assistance and direct services to eligible individuals and households who have uninsured or underinsured necessary expenses and serious needs.

5. Provides financial assistance after a disaster to cover necessary expenses and serious needs such as transportation, personal property, childcare, and medical and dental expenses.

6. Provides residents of homes that were damaged, but are safe to live in, with up to \$300 in one-time financial assistance to help with cleanup.

7. Provides a month's worth of benefits which can be used to purchase food at authorized retail stores.

8. Provides low-interest disaster loans to help businesses, homeowners, renters, and private nonprofit organizations.
