Summary

- The number of households placed in hotels as of May 6 decreased by 101 households compared to last Monday, May 6.
- As of May 13, \$24.6 million was distributed by FEMA in the county, of which about \$3.9 million went to 335 placed households.

FEMA Assistance Status of Households Placed in Hotels

- Received assistance = FEMA assistance includes rental assistance, home repair, etc.
- Applied but no assistance indicated = may be a temporary status, such as not yet processed by FEMA or lack of documentation, or the household may not be eligible.
- No record of application = may be due to inability to match the records or households may not have applied due to miscommunication, hesitancy to contact government, etc.

Owner vs. Renter Status of Placed Households

*Left the program due to own choice or no longer eligible. Rarely, for non-violent offenses, one warning is given for the first Code of Conduct violation and households are asked to leave if there is a second violation.

**Individuals and household program.
