Summary

- The majority of placed households are from the City of San Diego: 449 (83%) of 541 total placed households.
- As of May 13, \$14.0 million was awarded by FEMA in the City of San Diego, of which about \$3.1 million went to 279 placed households.

FEMA Assistance Status of Households Placed in Hotels

- Received assistance = FEMA assistance includes rental assistance, home repair, etc.
- Applied but no assistance indicated = may be a temporary status, such as not yet processed by FEMA or lack of documentation, or the household may not be eligible.
- No record of application = may be due to inability to match the records or households may not have applied due to miscommunication, hesitancy to contact government, etc.

Owner vs. Renter Status of Placed Households

*Left the program due to own choice or no longer eligible. Rarely, for non-violent offenses, one warning is given for the first Code of Conduct violation and households are asked to leave if there is a second violation.

**Individuals and household program.
