

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

American Red Cross - Valley Fire Recovery

The American Red Cross is here to help. We are currently assisting those impacted by the Valley Fire. If your home was lost or damaged in the Valley Fire, please call the Red Cross at 858-309-1338.

We have Red Cross trained professionals to assist with the following:

- Health Services - assessment of health and replacement of medical equipment due to the disaster
- Disaster Counseling and Spiritual Care - support with someone to talk about the experience
- Immediate financial assistance and recovery planning to help you in the recovery process

We have a team of Recovery Caseworkers available to open a case, assess your needs and guide you to resources and assistance.

Please call the Casework Message Line at 858-309-1338. Leave your name, phone number and best time for us to contact you. A Red Cross Caseworker will return your call promptly to begin immediate disaster assistance and help in recovery planning.
