## Summary

- The number of households placed in hotels as of April 29 increased by one household compared to last Monday, April 22.
- Five currently placed households have no record of a FEMA application as of Monday, April 29.
- As of April 29, almost \$23.4 million was distributed by FEMA in the county, of which about \$4.0 million went to 351 placed households.

\*Left the program due to own choice or no longer eligible. Rarely, for non-violent offenses, one warning is given for the first Code of Conduct violation and households are asked to leave if there is a second violation.

\*\*Individuals and household program.

Disclaimer: This is a snapshot of rapidly changing data. Numbers are subject to change as duplicate records are identified and household composition changes.

Data Sources: Equus, FEMA Individual Assistance Data, County ETL Intake Forms, Damage Assessment Survey, County and City Local Assistance Center Forms, and 211.

Produced by the County of San Diego, Emergency Operations Center, Data Unit, on April 30, 2024.

## FEMA Assistance Status of Households Placed in Hotels

- Received assistance = FEMA assistance includes rental assistance, home repair, etc.
- Applied but no assistance indicated = may be a temporary status, such as not yet processed by FEMA or lack of documentation, or the household may not be eligible.
- No record of application = may be due to inability to match the records or households may not have applied due to miscommunication, hesitancy to contact government, etc.

## Owner vs. Renter Status of Placed Households
